FOOTNOTES

¹ With frame, send a copy of this form and place an orange Signetek address label on your package.

² Must include a pattern with drill/notch finished jobs.

³ For optimal customization, provide point-of-wear measurements for: KODAK DSII and Unique HD Lenses; Crossbows V and SV designs.

⁴ Tinting available on clear CR-39 and poly lenses only. Tinting **not** available on photochromic, polarized, Total Blue Lens or KODAK KolorUp Sun Lenses.

** Total Blue Lens includes a special AR coating that filters harmful high-energy visible (HEV) blue light. Ask for details.
