Frame Shape Template #: \_\_\_\_\_ \*

<sup>A</sup> Required for KODAK DSII, KODAK Unique/HD/DRO Lenses, Crossbows Custom V/Custom SV, polarized lenses, finished jobs, tinted uncuts & other lenses +2.50 and higher.  
Or, hand trace right eye & indicate the Nasal (N).  
If no (N) is indicated, we will assume it's a right-eye trace.

**\*\*MISSING INFORMATION WILL CAUSE DELAYS!**

**FOOTNOTES**

- <sup>1</sup> With frame, send a copy of this form and place an orange Signetek address label on your package.
  - <sup>2</sup> Must include a pattern with drill/notch finished jobs.
  - <sup>3</sup> For optimal customization, provide point-of-wear measurements for: KODAK DSII, Unique HD/ DRO HD Lenses; Crossbows V and SV designs.
  - <sup>4</sup> Tinting available on clear CR-39 and poly lenses only. Tinting **not** available on photochromic, polarized, Total Blue Lens or KODAK KolorUp Sun Lenses.
- \*\* Total Blue Lenses include a special AR coating that filters harmful high-energy visible (HEV) blue light. Ask for details.
