Frame Shape Template #: _____

Required for all KODAK Unique and Unique DS Lenses, polarized lenses, finished jobs, tinted uncuts & other lenses +2.50 and higher.

Or, hand trace right eye & indicate the Nasal (N). If no (N) indicated, we assume it's a right-eye trace.

FOOTNOTES

¹With frame, send a copy of this form and place an orange Signetek address label on your package.

²Must include a pattern with drill/notch finished jobs.

³Tinting available on cast progressives and single vision lenses: 1.50, 1.56, Poly, 1.60 and 1.67. Tinting available on KODAK Unique, Unique DS, Precise/Short PB, DirecTek/Short: 1.50 and 1.67. For tinted uncuts, a shape must be provided.

⁴To expedite your KODAK Unique or Unique DS Lens order, please indicate frame shape above (template number or hand trace of right eye).
