1.50	Clear	1.50 to 3.00	-5.00 to +6.00

RX PRISM IS AVAILABLE ON ALL LENS DESIGNS.
The maximum amount of prism or combination of prism is 5.00 diopters in any direction. Diameters: The minimum uncut diameter offered is 60mm; the maximum is dependent on blank availability. Lenses are cribbed to the nearest value at least 1mm greater than the final shape in 2.5mm steps.
